

TBC AMERICAN ENTERPRISE, INC.

CUSTOM SOLUTIONS, INTEGRITY, AND PROVEN RESULTS

CAPABILITIES STATEMENT

TBC American Enterprise, Inc. (TBC) is a nationally diversified Service-Disabled Veteran Owned Small Business (SDVOSB) that offers an analytical approach to the facilities maintenance, medical supply chain management, and logistics industries.

As a customer-centric organization, TBC relies on the leadership and expertise of its employees and partners to provide service and solutions that ensure clients at all levels obtain operational excellence. We constantly look for new and better ways to improve our clients operations. Our commitment to hard work and client satisfaction ensures our team reaches the mark each time.

You can rely on us for:

- Facility Management and Services
- Commercial & Industrial Machinery and Equipment Repair and Maintenance
- Medical, Dental and Hospital Equipment and Supplies
- Surgical and Medical Instrument Manufacturing
- Surgical Appliance and Supplies Manufacturing
- Electro-Medical and Electrotherapeutic Apparatus Manufacturing
- Interoperative Neurophysiological Monitoring Services
- Administrative Management and General Management Consulting Services

Why TBC American Enterprise, Inc.?

Founded by a decorated combat veteran out of a desire to continue to serve by providing facility maintenance, specialty medical, surgical, and neuro intraoperative monitoring services to the Department of Defense, VA Medical Centers, and civilian hospital systems.

TBC's mission is to ensure facility maintenance and access to the most advanced lifesaving resources available on and off the battlefield.

Our dedicated approach to project management enables us to complete our projects within budget and in accordance with all stated quality metrics in the statement of work.
